

LED power supplies**MEAN WELL**

Excel mainly thanks to its comparison price vs. performance, by compact construction, high operating endurance and long lifespan.

Some types are produced under 3year warranty, of course CE certified and meeting EU standards, what enables to provide long warranty for complete signs and minimize this way costs for service and maintenance.

Photo	Type	Cat. No.	Output Voltage (V)	Output (W)	Maximal current (A)	Dimensions (LxWxH) mm	Protection degree
